

2008 Annual Fund Drive

Help Us Help You!

www.ogdensburgrescue.org

Since 1961, the men and women of the Ogdensburg Volunteer Rescue Squad have been providing you with the most advanced levels of Emergency Medical Services, Off Shore Rescue and Recovery, and Vehicle Extrication in St. Lawrence County.

Last year your generosity helped us place a new Advanced Life Support response vehicle in service and purchase new engines for our Offshore Rescue Boat. The members of the OVRS thank you for your support.

The cost of providing quality EMS service is expensive. Like you, we have seen the cost of just about everything that we use increase dramatically during the past year. Donations from local businesses, professionals, and citizens, such as you, make up a vital percentage of our income each year. 100% of the money raised by this fund drive and other donations is spent to provide our members and employees with up to date equipment, vehicles, and training, so that they may better serve you and the community.

We have set a goal of \$15,000 for this years fund drive. The proceeds from this years campaign will be used toward the purchase of a new ambulance to replace one that will be 9 years old.

The OVRS is currently seeking new members. The strength of the organization is our volunteers. Pick up an application or just check us out at 101 State St, 315-393-0837, or www.ogdensburgrescue.org

It is our hope that you will once again support our volunteers and staff providers in our vital mission of providing quality emergency care to you, your family, and friends with a donation in an amount that you feel is fair and affordable..

Thank your for your continued support.

Jean McLear, President

Please send your tax deductible donation to:

2008 Fund Drive
Ogdensburg Volunteer Rescue Squad
PO Box 172
Ogdensburg NY 13669

All donations will be acknowledged with a receipt
